Mark, thanks for sending the suggested points of consensus to move forward on Doel.

For Tuesday AM's talk with Mike/Stu, please draw up some talking points especially those items that are the consensus path forward from your Monday PM meeting. Also, identify those areas that we disagree (if our recommendations are not agreed upon).

Please send it to me by Monday evening. I return on Monday at 2pm so I can review it that night.

Thanks,  
Al

This is a prep step to briefing Brian on the same topic.

Mark and Carol will provide a verbal summary of what they learned in Belgium (10 minutes each max). Based on this we will decide what information to provide to Brian, and how.
