Would you do me a favor and email me the Doel 3 evaluation document tomorrow if it comes out. I will be on the road and unable to get it remotely.

Al has not asked me...only Gary. (I rate, I guess.) Yes, I can probably support. Just have to check to make sure that Barry can watch Sarah over those days.

Do you want to go to Belgium from 1/6 to 1/10? Al will ask you if he hasn't already.

Thanks, Bob. Did you let Mark Dennis know? If not, I will send him a message.

Since the next meeting with FANC is Jan 8-9, it will not be possible to hold the public meeting on January 8, so we are postponing the public meeting (the one that has not yet been noticed). It will be postponed until mid-February, unless someone has a reason that it needs to be held sooner.
