Bob and Mark,

Looks like I am going. I will do the pre-trip with all of our names on it.

Mark and maybe Carol.

It turns out that since more than one of us are travelling we have made an obscure error by issuing more than one pre-trip notification. So we must re-issue a pre-trip notification. The re-issue will not result in any metrics being violated, it will just correct a procedural issue that needs to be corrected. We need to issue another pre-trip that has the name of all travelers on a single pre-trip. Lauren Quinones has details, so I will copy her on this email.

If you are going to go Carol, please add Mark's and my name to your pre-trip. I've attached a link to my pre-trip, which was already approved (I don't think it will need to be re-approved) which makes for an easy template to just add our names and number to. If you aren't going (Mark and I would value your attendance!), then Mark and I will need to issue another one with just our names on it. I could do it, but I am out until Jan 2 and can't do it until then. If you do it before then please let me know so I don't do it when I get back. No sense doing anything until we know about Carol.

Have great holidays!
