All,

Attached are my comments on the various reports provided by FANC on the NDE issues with Doel 3 and Tihange 2. I apologize for sending this out to you so late on Friday afternoon. My plan was to develop this table for our internal use; however, earlier this afternoon, Bob asked me to send it off to FANC before the meeting next week. If you happen to have time to review the table and provide comments by 10am Sunday, I would greatly appreciate it. I will incorporate your feedback before I send it off to FANC on Sunday.

Have a great weekend!
Carol
