Subject: New Report from Belgium

Note for all that may be interested: I posted the following 2 e-mails with attached documents embedded to the Doel 3 Sharepoint site:

(<http://portal.nrc.gov/edo/res/de/cib/rpv/doel3/Test/Forms/AllItems.aspx>)

- REV. 1 of BelV's Safety Evaluation Report
- E-COMPARE of REV. 1 TO REV. 0 of BelV's Safety Evaluation Report

I have queried BelV to determine if the additional evaluations described in their revised Safety Evaluation Report are available for our review. I'll keep you posted.

Regards,
Gary L. Stevens
