Thank you for your comment, question, or survey response

Dear www.nrc.gov visitor,

Thank you for visiting the Nuclear Regulatory Commission's Web site and sending us your comment, question, or survey response.

If you have asked us for information, please print or save this page for reference. Our goal is to respond to most inquiries within two business days, most often by e-mail or telephone. If we can't get back to you within two days, it is usually because we need to forward your request to an NRC staff member with special expertise. If you don't receive a response within ten business days*, please feel free to [contact the NRC Web Team](#), or fax a copy of this page to 301-415-5272 and we will follow up with the person who received your request.

*Exception: The time period for responding to Information Quality correction requests is 45 days.

Sincerely,
