Dear Ms. Abogunde:

Per your discussion with our physicist, Mr. Randall yesterday, we wish to confirm that the Cardiology office previously operating under license number 06-30826-01 is now operating under our hospital license 06-09261-01. We also request that license 06-30826-01 be terminated.

In the hopefully near future, we will be closing this cardiology office, at which time we will provide you with the necessary closure information and close out survey.

Thank you for your help in this matter, and we apologize for any confusion.

Sincerely,

Dan Rissi,

VP/Chief Medical & Clinical Operations Officer
