

December 18, 2013

Mr. Steven E. Sisley
Licensing Manager
EnergySolutions
Suite 100, Center Point II
100 Center Point Circle
Columbia, SC 29210

SUBJECT: CORRECTED CERTIFICATE OF COMPLIANCE NO. 9168, REVISION NO. 20,
FOR THE MODEL NO. 8-120B PACKAGE

Dear Mr. Sisley:

On November 22, 2013, the staff issued Certificate of Compliance No. 9168, Revision No. 20, for the Model No. 8-120B package.

By a telephone conversation held on December 11, 2013, you requested that Item No. 3.a of the certificate be modified to reflect another address for the certificate holder. We also noted that the certificate had incorrectly identified the payload in Condition No. 5(b)(iii), on page 3 of the certificate. The maximum weight of the contents is 14,150 lbs including shoring and secondary containers. This letter provides the corrected pages for your incorporation.

If you have any questions regarding this certificate, please contact me at (301) 287-0759.

Sincerely,

/RA/

Pierre Saverot, Project Manager
Licensing Branch
Division of Spent Fuel Storage and Transportation
Office of Nuclear Material Safety
and Safeguards

Docket No. 71-9168
TAC No. LA0129

Upon removal of Enclosure 2, this document is uncontrolled
