Subject: NRC–2012–0246 Waste Confidence Rule

South Carolina Electric & Gas Company (SCE&G), V. C. Summer Nuclear Stations (VCSNS) Units 1, 2 and 3 has reviewed the proposed changes under NRC–2012–0246 dated September 13, 2013. Docket ID NRC-2012-0246 was issued by the Nuclear Regulatory Commission (NRC) through 78 Federal Register 56,776 “Waste Confidence—Continued Storage of Spent Nuclear Fuel” and 78 Federal Register 56,621 “Draft Waste Confidence Generic Environmental Impact Statement.” VCSNS representatives attended the meeting held in Charlotte, North Carolina on November 4, 2013 as documented within ML13323B474. VCSNS has actively worked with NEI on this matter and fully concurs with the position taken by NEI for Docket ID NRC-2012-0246. If you have any questions or require additional information, please contact Bruce Thompson at (803) 931-5042.
