Re: License Number SNM-95 (Docket Number 070-0113)

Subj: Decommissioning Funding Plan for Penn State University

Enclosed please find the revised decommissioning funding plan (DFP) for The Pennsylvania State University as required by 10 CFR 30.35.(e). We have created a unified DFP for Penn State covering all of our licenses and operating locations. The unified DFP consists of five (5) self-contained appendices, one for each of the five (5) licenses held by Penn State:

| License Number | Issuing Agency | Brief Description and Campus Location          | DFP Appendix |
|----------------|----------------|--|--------------|
| PA-0100        | PA DEP         | Broad scope byproduct materials, UP & others   | A            |
| PA-0127        | PA DEP         | Broad scope byproduct materials, PSHMC campus  | B            |
| PA-0127A       | PA DEP         | Self-shielded irradiator license, PSHMC campus | C            |
| SNM-95         | NRC            | Special Nuclear Materials, UP campus           | D            |
| R-2            | NRC            | Research and Test Reactor license, UP campus   | E            |

Note that only Appendix D is enclosed with this letter. The DFP for our other NRC license is being submitted separately.

Enclosure 1 is a redacted version for public release and Enclosure 2 is an un-redacted version containing sensitive information (certain isotopes, activities, and locations) to be withheld from public release.

Please contact me for correspondence or if you need any additional information.
