Consideration of Environmental Impacts on Temporary Storage of Spent Fuel After Cessation of Reactor Operation

Comment On: NRC-2012-0246-0456

Waste Confidence - Continued Storage of Spent Nuclear Fuel; Extension of Comment Period

Document: NRC-2012-0246-DRAFT-1162

Comment on FR Doc # 2013-26726

Submitter Information

Name: Jim Powers

General Comment

NRC,

Thanks for the important work you do!

Please find a safe solution to the waste at San Onofre. Southern California (from San Diego County to Orange County to LA county and Riverside) is such a hugely populated area and beautiful area that it would be very irresponsible to leave the nuclear waste at the plant . Please act with this in mind.

Thanks,

Jim Powers
