Re: Radioactive Materials Transfer Notification – 8/28/13

Mr. Kane,

This letter is to inform you that the Niton instrument you returned, Model XLII-841S, XRF Analyzer, Serial # U3295, has been received at the Thermo Fisher Scientific MA facility. The sources have been removed from instrument per your request. The sources will be stored at the MA facility under our license # MA 55-0238, while awaiting proper disposal. The decommissioned instrument is not being returned to you as requested. If you have any questions or need further information please feel free to contact me.

Sincerely,

Stephen Furtado
