7. The presentations and explanations given by the NRC staff were understandable, fair and balanced.	1	2	3	4	5
8. I am satisfied overall with the NRC staff who participated in the meeting.	1	2	3	4	5

Please provide any suggestions you have on ways the NRC could improve their public meetings:

Since the audience and people wishing to testify were so large, time for individual testimony could have been shortened to allow everyone to speak. I, having pre-registered (via the website) to do so was unable to.

The Hearing Officer, most courteous, should however have requested (and seen to it) that →

Please fold on the dotted lines with Business Reply side out, tape the bottom, and mail back to the NRC.

Please provide any additional comments:

audience applause be held (= not allowed) since -
predictably following early speaker, it both wasted
precious time and delayed or made in-
audible the announcements of speaker
sequences to follow.

I believe the process could have been made consid-
erably calmer & more efficient, so that all could
have been heard.

OPTIONAL I am sending comments, in writing, today.
