Please provide any suggestions you have on ways the NRC could improve their public meetings:

Hands down. NRC staff are very patient and professional in their demeanor at these meetings. Perhaps future meetings would either require speakers to elect 1 speaker representing any group including concerned citizen and then continue to allow unlimited written comments. Many concerned citizens only wanted a soapbox to complain not to comment on document.

Please fold on the dotted lines with Business Reply side out, tape the bottom, and mail back to the NRC.

Please provide any additional comments:
