Please provide any suggestions you have on ways the NRC could improve their public meetings:

The NRC should keep to the start time published.
The NRC should ask questions of the public
and actually listen to their answers -
The pre-meeting time was helpful + good -
but if the meeting is scheduled at dinner-
time, there should be some sort of crackers
or food, in addition to water + caffeinated drinks.
There should be more informal interaction w/ staff.

Please provide any additional comments:
