SUBJECT: CLOSURE OF INVESTIGATION (OI 4-2013-004)

Dear Mr. Palmisano:

This refers to an investigation conducted by the NRC's Office of Investigations regarding activities at San Onofre Nuclear Generating Station. The Office of Investigations initiated the investigation to determine whether a Southern California Edison Company employee willfully failed to provide complete and accurate information upon which a trustworthiness and reliability could be determined.

Based on the evidence developed during the investigation, testimony, and document reviews, the allegation was determined to be substantiated. A Notice of Violation was issued to the individual on July 12, 2013. The NRC plans no further action related to the willful aspect of this allegation and considers this investigation closed.

You should note that final NRC documents may be made available to the public under the Freedom of Information Act subject to redaction of information pursuant to the Freedom of Information Act. Requests under the Freedom of Information Act should be made in accordance with 10 CFR 9.23, Requests for Records. Information is accessible from the NRC's website at <http://www.nrc.gov/reading-rm/foia/foia-request.html#how>.

Mr. Tom Palmisano
