

PUBLIC MEETING ANNOUNCEMENT

Title: CLOSED Pre-Decisional Enforcement Conference

Date(s) and Time(s): Wed, 22 Jan 2014, 01:00 PM to 00:00 AM

Location: Region I Office, Yellowstone Meeting Room
2100 Renaissance Blvd, Suite 100
King of Prussia, PA

Category: This is a Closed meeting. The public is invited to participate in this meeting by discussing regulatory issues with the Nuclear Regulatory Commission (NRC) at designated points identified on the agenda.

Purpose: A closed pre-decisional enforcement conference will be held to discuss two apparent violations involving (1) operating Indian Point Units 2 and 3 in violation of site Technical Specifications requirements after test results for emergency diesel generator fuel oil were found to have exceeded limits and (2) failing to initiate a condition report or otherwise report the condition. The conference will also discuss details identified during a related investigation completed by the NRC's Region I Office of Investigations (OI) on March 26, 2013. This conference is closed to public observation because it involves the findings of an NRC OI report that has not been publicly disclosed.
