Re: amendment for License No. 21-32345-01

Mr. Frank Tran,

In reference to your phone call of December 9, 2013, requesting a time-frame for the Transfer of Control, I can state that the transfer has already occurred. I have not yet received a response concerning when the change became effective.

I hope this satisfies the stated need to establish whether this is a future change or one that has already occurred.

In the event that you need more information, you may contact me at 231-487-5878, or through my email address, jcarson@michiganhvs.com.

Sincerely,

James J. Carson, CNMT
Radiation Safety Officer/Technical Director
Nuclear Cardiology
Michigan Heart & Vascular Specialists
