Discussion: [12/24/13; 10:00] I left a message on the licensee's voice-mail as their office is closed until December 27th. [12/27/13; 09:00] I informed Ms. Thomas of my identity and that as of this date I was unaware of a renewal application having been received. Ms. Thomas indicated that they had been working with Bruce Morton on the application and that a check had been signed last week. I stated that a renewal application did not require a check and that she may be referring to the annual fee notice from NRC Headquarters. I requested contact information for Mr. Morton so that I could determine whether he was working on a renewal application. [09:45] I left a call back number on Mr. Morton's pager. [10:05] Mr. Morton returned my call and indicated that he had sent a packet to the licensee for signature and that the address was 2100 Renaissance Boulevard. He contacted the licensee and determined that the packet had been delivered to the NRC Region I office on December 24, 2013. I thanked him for the information.

Action Required: Document attempts to contact the licensee.
