**RE:** Dieffenbach & Hritz, LLC, License Amendment  
Control No. **582515**  
License No. **47-31463-01**

Mr. Wilson:

I have recently submitted a request to amend the storage location and mailing address for our license. As per our phone conversation, you relayed to me that some additional information was needed.

Both of our gauges have been leak tested in accordance with our license and have never had any leaks or other problems. Also, when we moved our facility from 12 Rousch Drive to 1095 Chaplin Road, Suite 200, we performed a leak test of the storage room and no leaked material was found. Please find attached leak test results.

Again, this Amendment is to change the storage and mailing address to 1095 Chaplin Road, Suite 200. The building is new and does not show up on aerial mapping websites so directions to the site are as follows:

From the north (Pittsburgh):

- Take I-79 South into WV
- Take Exit 155 (WV7/WVU)
- Turn Right onto Chaplin Hill Road
- Travel 1.5 miles to the blue building on the left (directly across from Mylan Park)

If you have any questions or comments, or need additional information, please feel free to contact me at 304.985.5555.

Thank you,
