Dear John,

Please find attached a letter requesting a change in location for one of our two facilities – from Yonkers, NY to Farmingdale, NY. I have been working with the State of New York on closing the Yonkers facility and amending our NY possession License to change locations. Attached is the copy of the amended NY license that I just received showing that change.

I am sending you the letter by regular mail but, for the sake of expediency, am sending both the letter and new NY license amendment via email as well.

Thank you in advance for your attention to this matter.

Regards,
Brad Fisher
