Subject: TERRADON Corporation  
License Amendment Request  
License Number 47-25539-01 / 030-35483

Madam/Sirs,

TERRADON Corporation is requesting to make the following amendment to our license referenced above.

- Increase our Source quantities to the following –

Item 5: Radioactive Material

	Element and Mass #	Chemical and/or Physical form	Maximum Amount
1.	Cesium-137	Sealed Sources	135
2.	Americium-241: Beryllium	Sealed Sources	620

This increase is requested to cover the permanent transfer of Troxler Moisture/Density Gauges from our sister company Kanawha Stone Company, Inc. License Number 47-25053-01, and to allow for additional capacity for future expansion as business growth continues. We anticipate that any additional gauges that we purchase will be either Troxler or Instron gauges.

- Physical Address Change – we have just been informed by Putnam County 911 that our physical address has been changed from 401 Jacobson Drive to 409 Jacobson Drive, Poca, WV 25159.

If you have any questions or should you require additional information please contact this office at (304) 755 – 8291.

Sincerely,  
**TERRADON Corporation**
