

January 14, 2014

The Honorable Dan M. Tangherlini
Administrator
U.S. General Services Administration
1800 F Street, N.W.
Washington, D. C. 20405-0001

Dear Administrator Tangherlini:

I would like to extend my gratitude to you and to Dr. Dorothy Robyn for partnering with us to obtain approval of a long-term housing strategy for the Nuclear Regulatory Commission. This task proved to be a larger and longer undertaking than either of us could have anticipated. The collaboration, professionalism, and support that you and your staff extended our agency in finding a solution proved essential to consolidating our personnel on one campus, avoiding a lease-holdover situation, and gaining approval of a housing plan that supports our mission and lowers our costs.

I recognize that many people from General Services Administration were involved in this effort. I would, however, like to extend special thanks to the following individuals for their leadership, dedication, and commitment to success:

- Victoria Hartke, Acting Director, Office of Leasing, National Capital Region;
- Alex Intermaggio, Space Management Specialist, Public Buildings Service, National Capital Region;
- Sheldon Kravitz, Capital Investment Officer, Central Office;
- Nate Denny, Office of Congressional and Intergovernmental Affairs, Central Office;
- James Phelan, Contracting Officer, National Capital Region; and
- Liz Johnson, Assistant Regional Counsel, National Capital Region.

I look forward to continuing our excellent working relationship procuring a replacement lease for Two White Flint North and ensuring a smooth transition to multi-tenancy with the Food and Drug Administration in the Three White Flint North building.

Thank you again for your support.

Sincerely,

/RA/

Allison M. Macfarlane
