Johari--

Please see the attached pdf providing a revised Figure 3 for Appendix A of the Ross PA. Let Mike or I know if you have any questions.

Ben,

To support the completion of the Draft Programmatic Agreement (PA) for the Ross Project, please provide the following information:

1 – Revised Figure 3 of Appendix A to the PA.

Currently, Figure 3 of Appendix A to the PA is Environmental Report Figure 1.2-6. Please provide a new figure labeled Figure 3 that shows a boundary around the area(s) currently expected to be disturbed by the Ross Project (i.e. Phase 1). This figure should also show the Project structures and activities (e.g. CPP, roads, pipelines, wells, wellfield areas) currently proposed to be located within the Phase 1 area(s).

2 – Smithsonian trinomials for NRC Site #1, 2, 3, and 4.

Please let me know if you have any questions regarding this request.

Thank you,

Johari A. Moore
