Notification To All Parties Announcing Nuclear Information and Resource Service (NIRS)  
Withdrawal From The Yankee Rowe Nuclear Power Station Proceeding

On behalf of Nuclear Information and Resource Service (NIRS), I wish to inform all parties that our organization is withdrawing as a petitioner in the above docketed proceeding.

After careful review and deliberation, NIRS is confident that petitioners Citizens Awareness Network, New England Coalition on Nuclear Pollution, and the Franklin County Regional Planning Board in going forward with the Yankee Rowe proceeding will competently represent our similar concerns.

THEREFORE, NIRS requests that its name be removed from the Certificate of Service list at this time.

Respectfully submitted,

Paul Gunter, Director  
Reactor Watchdog Project  
Nuclear Information and Resource Service
