**Subject:** SSE Definition for NA3

Chandu,

COLA Part 10, Section 1.1.1 provides a supplement to the DCD Tier 1 definitions. This supplement explains how the SSE is defined for NA3. This NA3-specific definition is applicable anywhere the SSE is referenced in DCD Tier 1.

DCD Tier 1, Section 3.1 provides ITAAC for the design of piping systems and components. Section 3.1 also lists the specific Tier 1 sections that address systems that are ASME B&PV Code Class 1, 2, or 3, and are subject to ASME (B&PV) Code, Section III, pressure boundary requirements. Each section includes ITAAC for the particular system.

Please let me know if you need any additional information.

Barry
