Desc: DPO-2013-002, "Differing Professional Opinion - Diablo Canyon Seismic Issues," July 18, 2013, ADAMS Package ML13214A248

FeeCategory: Personal_Noncommercial

MediaType:

MediaType_Other_Description:

Expedite_ImminentThreatText:

Expedite_UrgencyToInformText:

Waiver_Purpose: Release to interested third parties.

Waiver_ExtentToExtractAnalyze: As the author of the DPO, I have expert understanding of the issues raised in the document.

Waiver_SpecificActivityQuals: External stockholders, included members of congress, have expressed an interest in the issues raised in the DPO. Release of the DPO will provide clarity to the public understanding of issues affecting nuclear and seismic safety at Diablo Canyon.

Waiver_ImpactPublicUnderstanding: External stockholders, included members of congress, have expressed an interest in the issues raised in the DPO. Release of the DPO will provide clarity to the public understanding of these issues affecting nuclear safety at Diablo Canyon.

Waiver_NatureOfPublic:

Waiver_MeansOfDissemination: Release of the DPO to the Union of Concern Science and Congressional staffers.

Waiver_FreeToPublicOrFee: I already process a copy of the requested document. No searches or reproduction is needed.

Waiver_PrivateCommericalInterest: Release of the DPO will provide input to the discussion of Congressional oversight of the NRC and third party intervener groups. This DPO raised immediate operability concerns related to important to safety plant equipment required by the facility Technical Specifications and the operating license. This DPO was submitted on July 18, 2013 but still remains unresolved by the agency. I request the DPO be released prior to final disposition by the DPO Panel due to the length of time these potential safety significant outstanding issues remained unresolved.
