Hi Tim,

Sorry I missed you this week. It is completely crazy up here with appropriations. I'd love to touch base sometime, maybe in a few weeks when things have calmed down.

Thanks,  
Bidisha

Bidisha,

I am hoping to meet with you to discuss the current operational performance at Prairie Island and Monticello and to address some items that may be of interest to your office: NRC Commissioner nominees, NEI's buried pipes initiative and NRC's concerns about buried pipes, as well as any items of concern in your office. If you have time Thursday, I will be on Capitol Hill and would be glad to stop by. Please let me know if you have any availability.

Congratulations on your new position with Senator Franken's office,  
Tim Riley
