Subject: Prairie Island Visit 11/9/12

Greg and Al,

In preparation for tomorrow's visit to Prairie Island, I have some review information and an updated agenda below. I apologize for the early start, but we are now asking you to arrive at 715am.

Arrival at the facility: Once you reach the stop sign on the access road, stay to the left of the security checkpoint and proceed into the parking lot. You may park in Row 1 of the parking lot, which has several reserved parking spaces for NRC visitors. Walk east towards the security access facility (just follow the walkway). Once in the access facility, go to the window and request a visitor badge (you will need to show your driver's license). You will be escorted by NRC or licensee staff (Jon Anderson) to the NRC office.

The first meeting, with the NRC Resident Inspectors, will be a frank discussion in which non-public information will be shared. Please understand the need for the Residents to be able to speak freely, raise concerns, and share opinions with the Commissioner; please keep this information confidential.

Here is the agenda for Friday:

7:15– 7:30 am	Arrive at Prairie Island Nuclear Station and in-processing
7:30 – 8:00 am	Discussion with Residents
8:00 – 8:15 am	Meet with Plant Manager for site overview
8:30 – 10:45 am	Site Tour of Outage Work
10:50 – 11:20 am	All Hands Meeting (If it will not disrupt outage work. Otherwise extend site tour)

B12

If you have any problems or need assistance on Friday, please contact:

Karla Stoedter 651-388-8209 (NRC Senior Resident Inspector at Prairie Island)

Kimberly Sexton (b)(6) (Staff to Commissioner Ostendorff)

ex 6

Please feel free to call me this afternoon/evening with any questions. Remember to wear cotton clothing only and to bring cotton athletic shorts and t-shirt, and either a) steel-toed workboots, b) hiking boots or c) tennis/running shoes (a slip on shoe cover that will provide steel toe protection will be provided as necessary).

Thank you for your participation and flexibility, I apologize again that the schedule moved up by 30 minutes.

Timothy Riley

Congressional Affairs Officer
