Re: Control No. 581237

(Ref.) RLT

Dear Mr. Lodhi:

Pursuant to our last conversation, J.U.B. King & Associates, Inc., requests that the Material License (Control No. 581237) be changed in the name of licensee to a newly established firm, **V.I. Quality Control Services, LLC**. This is not the result of transfer or sale of the company.

Please be advised that I, Julio U.B. King, RSO, is still in control of the license activities or radiation safety program. There will be no changes.

I would therefore like this letter to serve as a notification of name change from J.U.B. King & Associates, Inc. to V.I. Quality Control Services, LLC.

Should there be any questions regarding our proposal, please feel free to contact me via email (viqcservices@gmail.com) or telephone (340.690.6407) at your earliest convenience.

Respectfully,

Julio U.B. King, II
Operating Manager
