Subject: Murray Energy WV specific licenses
Date: Tuesday, February 18, 2014 10:58:03 AM

Mr. Lodhi,

Just to confirm. The mailing address is what needs to be changed to the St. Clairsville address. The physical address of the nuclear devices will not change. As of right now, please keep the current names on the licenses the same. We will notify when the names will need to be changed on the licenses.

Thanks!

Eric Barto
