

REQUEST TO WITHHOLD INFORMATION FROM PUBLIC DISCLOSURE  
UNDER 10 CFR 2.390

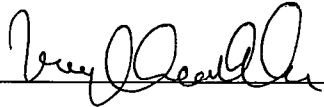

The procedures marked "PROPRIETARY" in red capital letters included in Attachment K of our application for our Electron Capture Detector are our property and represent information of a proprietary nature. Bruker Chemical and Applied Markets hereby requests that this information be withheld from public disclosure.

This information contains details on the design of our device and would cause us substantial harm if revealed to our competitors.

This information is sent to the NRC in confidence and is unavailable in any other public document.

If the NRC determines that this information is not necessary to our application, we request that it be returned to us or destroyed.

For the applicant:

Signature:  Date: 2-28-2014
