Dear Ms. Taylor:

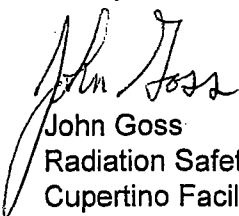

Our letter of 14 December 2001 addressed the planned merger involving Honeywell, Inc. dba Honeywell-Measurex, and Honeywell International, Inc.

We now wish to inform you that, as of 30 June 2002, Honeywell, Inc dba Honeywell - Measurex has merged into and is indistinguishable from Honeywell International, Inc.

In the coming months, use of "Honeywell - Measurex" will gradually be eliminated from facility signs, stationery, products, etc.

Please contact me if you have any questions about our current status or future plans (408 864-7860, menu option 4).

Sincerely,
Honeywell International, Inc.

John Goss
Radiation Safety Officer
Cupertino Facility
