RICHLAND DOCKET NO. 70-1257

Dear Mr. Grandemange:

This letter confirms plans for a public meeting scheduled for April 9, 2014, beginning at 3:00 p.m. PST in the Gallery of the Richland Public Library, 955 Northgate Drive, Richland, Washington. The purpose of this meeting is to discuss the results of our Licensee Performance Review for your facility covering the period from January 1, 2012, through December 31, 2013. The meeting notice, which provides additional details, and a meeting agenda are enclosed. This meeting will be a Category 1 meeting in which the public is invited to observe and will have one or more opportunities to communicate with the NRC before and after the business portion, as per the NRC policy statement "Enhancing Public Participation in NRC Meetings," published in the Federal Register: May 28, 2002 (Volume 67, Number 102, Pages 36920-36924).

Interested members of the public should contact Manuel Crespo at (404) 997-4733 indicating their intention to attend by April 7, 2012. This will ensure that sufficient copies of meeting materials are available. Because meetings are sometimes canceled as a result of unforeseen circumstances, members of the public should contact Mr. Crespo at the number shown above to confirm that the meeting will occur as scheduled.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosures will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's Agency wide Document Access and Management System (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).
