RE: Docket No. 50-443-LA  
ASLBP No. 98-746-05-LA  
NAESCO License Exemption Request

Dear Mr. Hoyle:

It was called to our attention that there is an error in our pleading on the signature page in that it reads:

"Respectfully submitted,  
Campaign for Ratepayers' Rights"

It should have read:

Respectfully submitted,  
Seacoast Anti-Pollution League  
and  
New England Coalition on Nuclear Pollution

We are therefore, enclosing a new signature page for this pleading and sending copies to all persons on the service list attached hereto. We would request that all parties substitute the enclosed signature page for the one which we sent last week.

We are sorry this happened and apologize for any inconvenience caused by this error.

Very truly yours,

Robert A. Backus
