Subject: Documentation of Training of RSO

Discussion:

The licensee's request for change of RSO included training certificate from APNGA. This is an On-line training provider. I called the licensee to request confirmation of adequate training of the individual in the NRC requirements and conditions of the license. I also requested that the letter be signed by a member of management of the company. I provided him with LAT'S Fax number. He promised to send the needed documentation as soon as possible.

Action Required: Document.
