Supporting Documentation for NRC Shield Building Public Meeting

On January 22, 2014, South Carolina Electric & Gas Company (SCE&G) participated in an NRC public meeting held at NRC Headquarters in Rockville, Maryland, to discuss the AP1000® shield building (lower section) detailed design. The purpose of this letter is to formally submit material presented during the proprietary session of the meeting.

Enclosure 1 provides the presentation used during the proprietary session of the shield building meeting. This enclosure contains information proprietary to the Westinghouse Electric Company.

Enclosure 2 provides a non-proprietary version of the presentation used during the proprietary session of the shield building meeting.

Enclosure 3 provides the Affidavit of Alfred M. Paglia supporting withholding of Enclosure 1 under 10 CFR 2.390.

Enclosure 4 provides the Westinghouse Application for Withholding Proprietary Information from Public Disclosure CAW-14-3900, Affidavit, Proprietary Information Notice and Copyright Notice.

Enclosure 1 contains proprietary information that Westinghouse and SCE&G request to be withheld from public disclosure under 10 CFR 2.390. Enclosures 3 and 4 support this request and are affidavits signed by appropriate representatives of Westinghouse and SCE&G. The affidavits set forth the bases upon which the information may be withheld from public disclosure by the Commission and address the considerations in 10 CFR 2.390(b)(4).

Correspondence with respect to the copyright or proprietary aspects of the items listed above or the supporting affidavits should reference CAW-14-3900 and should be addressed to J.A. Gresham, Manager, Regulatory Compliance, Westinghouse Electric Company, Suite 428, 1000 Westinghouse Drive, Cranberry Township, PA 16066, and also to Al Paglia, at the contact information within this letter.
