Stefan, it has been brought to our attention that the 4 TS files sent to you in March 10, 2014, letter, ADAMS Package No.ML14071A188, contained administrative errors. These were created in converting the Word documents to a pdf format with the version of Adobe Acrobat we were using. Attached are the corrected files. These files will be placed into ADAMS and the number provided to you in a later transmittal. If you have any questions, please give me a call.
