Environmental Projects Branch 2
Division of Site Safety & Environmental Analysis
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Gentlemen:

Subject: San Onofre Nuclear Generating Station
Units 2 and 3
Docket Nos. 50-361 and 50-362

The Applicants have received your June 7, 1977 letter requesting additional environmental information concerning the Operating State Environmental Report. As discussed by Mr. K. A. Slagle of our staff with Mr. Oliver Lynch on June 17, 1977, the Applicants' response will be submitted by July 15, 1977.

Sincerely,

771860078
