Please join the Partnership for Public Service and Public Employees Roundtable in celebrating *Public Service Recognition Week (PSRW) 2014*.

PSRW is time set aside to honor the women and men who serve our nation as federal, state, county and local government employees. Throughout the country, elected officials, agency leaders, communities and public service organizations participate by issuing proclamations, hosting tribute events and highlighting stories of excellence in government service.

The theme for *PSRW* 2014 is Proud to Serve. We hope public employees and leaders alike will take the opportunity to communicate the benefits and value of the work they do. To help spread the word, like us on Facebook and join the conversation on Twitter: **#PSRW** and **#Proud2ServeUSA**.
