**Project Number: 689**

Dear Mr. Buckley:

Upon further review of NEI 13-05, *Target Set Template*, Revision 0, Dated March 2014, I am provided several updates for your review in endorsement of NEI 03-05.

The revisions are to pages 2, 20 – 22, 25 – 26, and 28 – 30. A full copy of the revised guidance document is attached with this updated endorsement request.

Due to the fact that the NRC staff has been in review of NEI 03-05 since the initial submittal on February 28, 2014 and the need for additional reviews caused by the submittal of these updates, NEI requests NRC to provide endorsement of NEI 13-05 by April 18, 2014.
