Dear Mr. Knotts:

I have been hard at work and am in the process of wrapping up the review of your amendment request for the Leksell Gamma System Model 23016.

I require one piece of information, so that I can complete the evaluation. Please provide a copy of the key/equipment listing for the hydraulic system drawings.

Upon receipt of this information, I will be able to resume the evaluation and, shortly thereafter, issue the amendment for the Leksell Gamma System Model 23016.

If you have any questions, please feel free to contact me at (404) 362-2675.

Sincerely,

Eric Jameson
