

ELEKTA

RECEIVED FEB 06 1996

February 2, 1996

Thomas Hill, Manager
Radioactive Materials Program
Georgia Department of Natural Resources
4244 International Parkway, Suite 114
Atlanta, GA 30354

Dear Mr. Hill:

This letter serves as notification that as of January 29, 1996, Elekta completed the hydraulic system modification (described in our July 3, 1995 letter to Cynthia Sanders) on all operational Gamma Knives in the U.S.

All units which are installed after January 29, 1996, will have the modification completed before becoming operational.

Please do not hesitate to contact the undersigned should you have any questions.

Sincerely,

Martin Knotis
Director of Technical Service
