Thomas E. Hill, Manager
Department of Natural Resources
Environmental Protection Division
Radioactive Materials Program
4244 International Parkway, Ste. 114
Atlanta, GA 30354

Dear Mr. Hill:

Elekta requests the following amendments be made to Radioactive Materials License number GA 1153-1 and to Registry of Radioactive Sealed Sources and Safety Evaluation of Device number GA 269D-101-5:

- ☐ Due to corporate restructuring the Radiosurgery division of Elekta is no longer a legal entity. Therefore, we request that the name Elekta Radiosurgery, Inc. be changed to **Elekta Instruments, Inc.** wherever it appears in the aforementioned documents.

Thank you for your kind attention to this matter. A copy of our check in the amount of \$1,830.00 (sent to the "Fees Only" address) is attached.

Regards,

Martin Knotts
