Mr. Vanderpool,

Please note that we did receive your application, transmitted with you e-mail below, to amend your registration certificate GA-1138-D-105-S to add the Model GC88-SL device to the certificate. The readability of all of the attachments is fine. We will proceed with the safety evaluation of your application.

Regarding the status of your application, in the future please contact Mr. Tomas Herrera, Team Leader, Sealed Source and Device Registrations who is taking over my responsibilities due to my upcoming retirement.

Dr. Jankovich,

I am contacting you to submit the attached SSDR amendment for the Hopewell Designs, Inc. Model GC88. This amendment is to add the GC88 Superlite (SL) sub-model. The attached documents are the amendment request, drawings, and user manual. Please respond to this e-mail as an acknowledgement of receipt.

Let me know if you have any questions or require any additional information.

Best regards,

Chris Vanderpool, RRPT
