Hello Roger,

In regards to the RVI RAIs conference call, I have a few times that would work for our staff:

- 3/25 @ 3:00pm
- 3/26 @ 8:00pm

Let me know if any of these work for you.

Thanks

Hello Roger,

As Kim previously stated, I will be assisting her on IP related matters in going forward.
I will ask the relevant reviewers for some times and will get back to you shortly.

I look forward to working with you,

Thanks

Kim and Juan,

Entergy would like a conference call to discuss these RAIs – could you suggest some times that are good for the NRC?

Thanks,

Roger

Thanks Kim.

I am sure we will want a call, however, it may be delayed for at least a week because many of us are working the IP2 outage.

Roger,

Attached is a draft RAI containing three questions on the RVI program and inspection plan. After Entergy has had a chance to review the draft RAI, please let me know if you will need a phone call for clarification.

Thanks,
Kim
