To whom it may concern:

Enclosed you will find payment in the amount of \$1,200.00 for our registry amendment, **GA-1077-D101-S**. Our registry was amended to include a new shielding version of our Controlled Neutron Analyzer.

According to Mr. Eric Jameson, this payment was the only outstanding item remaining in order to finalize our amendment. If you require any additional information or documentation for the completion of our amendment, feel free to contact us.

Additionally, we would appreciate it if you could provide us with a copy of the amended registry (either by fax or mail).

Thank you very much for your time.

Sincerely,

**EADS<sup>+</sup> SODERN North America, Inc.**
