Dear Mr. Muller:

This is in response to your November 21, 1972 letter requesting comments on the Draft Environmental Statement for San Onofre Units 2 and 3 (Docket Numbers 50-361 and 50-362), including the Revised Environmental Report, dated December 22, 1972, and Amendment 1, dated September 5, 1972.

We have carefully reviewed the sections of these reports most related to our responsibilities and competence, and find them to be comprehensive and adequate. We have no adverse comments to make.

Sincerely,

John M. Heslep, Ph.D.
