**George – FYI, here is the note we received from Amy Snyder requesting 30+30+30 copies of the FSAR (all electronic, no hard copies). We would be glad to reduce the number.**

Amy,

We are finishing up processing of Rev. 5 of the U.S. FSAR over the next few weeks and anticipate sending by July 19th. We propose sending only electronic copies of Rev. 5 in keeping "green" and reducing the volume of paper. We can provide as many copies of CDs of Rev. 5 as you need. Please let me know how many of the following you would like to have ?

- # CD's - SUNSI Version 30
- # CD's - Public Version 30
- # CD's - Courtesy Copy (showing Red/Green changes) 30
- # of Paper Copies (if necessary) 0

NOTE: For FSAR Rev. 4, we provided one paper copy and 15 copies of the CDs to distribute to the chapter PMs and key technical reviewers.

Thanks,

Dennis
