Subject: Emergency Plan for the American Centrifuge Lead Cascade Facility

The Operating Reactor Licensing and Outreach Branch (NSIR/DPR) has completed our review of the revision to Emergency Plan for the American Centrifuge Lead Cascade Facility (Lead Cascade) dated November, 2013. We have determined that the changes were properly submitted in accordance with 10 CFR 70.32(i) and find that the changes to the emergency plan are acceptable.

If you have any question, please do not hesitate to contact the assigned technical reviewer, Mike Wasem, at (301) 287-3793.
